

Murad announces its new Professional Daily Eye Lift, a formula designed to relax fine lines while lifting and tightening under-eye skin. With results that are immediately visible, continued use boosts the skin's resilience through increased production of collagen and elastin. Daily Eye Lift contains ingredients designed to combat skin aging and reduce fine lines while tightening skin, including Oat Extract, Papaya Fruit Extract, Vitamin C Ester and Myrtle extract. Info: 1 888 686-8723.

Pevonia introduces the Spa Travel Essentials Pack. While traveling, skin can become dehydrated and devitalized, with visible loss of lustre. Restore skin's youthful glow and rehydrate with this collection of skincare essentials. Complete with Gentle Exfoliating Cleanser, Phyto-Aromatic Mist, Marine Collagen Cream, Tension Relief Gel, and Youthful Lip Cream, this budget-friendly pack contains all of the must-haves for keeping skin healthy from head to toe and is perfect on-the-go. Info: 1 800 446-3751.

IsoCell North America unveils GliSODin Skin Nutrients, ingestible skincare products for healthy skin. GliSODin's formula feeds the skin from within the body, promoting a natural, healthy glow by eliminating toxins while rejuvenating and hydrating the skin. The line consists of four formulas: Advanced Skin Brightening, Advanced Daily, Advanced Detoxification and Advanced Pre/Post, which supports medical esthetic procedures. Info: 1 866 534-5868.

Laboratoire Dr Renaud presents Haute Regeneration Pro-Collagen IntenseLift Cream, a regenerating day cream specifically created for demanding, mature, devitalized and/or tired skin. The day cream remodels facial contours for a more defined, younger look using a formulation rich in essential fatty acids and Omega-3. Haute Regeneration also contains a high UVA protection and is perfume- and paraben-free. Info: 1 800 361-0352.
